

SOUTH KENSINGTON STATION

Public Exhibition

Dear neighbour,

We are writing to provide an update on proposals due to come forward to enhance buildings around South Kensington Station and invite you to a public exhibition to view proposals and provide feedback.

Transport for London (TfL) has selected Native Land to be its joint venture partner to deliver this project, bringing together a highly experienced team to improve the land and buildings around the station in a respectful way, while delivering much-needed new homes and workspace which are appropriate to the unique historical context.

The delivery of this development is essential to allow further improvements to South Kensington Station, such as step-free access, and we look forward to taking the time to discuss the proposals with you.

EXHIBITION DETAILS ON REVERSE ►

EXHIBITION DETAILS

We will be holding a number of public consultation activities over the coming months as we refine our proposals. The first exhibition will take place on:

Wednesday 22nd | Thursday 23rd May
3pm – 7pm

Les Salons, Institut Français du Royaume-Uni
17 Queensberry Place, London, SW7 2DT

CONTACT US

Following the public exhibition on the 22nd and 23rd May, details of the proposals will be available at southkingsntonstation.co.uk, along with further updates about the consultation programme. If you have any questions, please call **020 3900 3676** or email SouthKensingtonStation@Kandaconsulting.co.uk
